In VFamili american character, I'm thansgiving of global friends and forbearers! Good global common citizen culture methodizes human heritage. Divine friends neglect human forbearers. 'VFamili' is frame and thansgiving affirmation we ameri want in equality human story. Human heritage celebrates human contribution and me cultured and co-creating in chosen principles of Nature's reason. My human heritage is nature home and human home. Natural environment, 'nature home', is natural law and order Reality around us untouched by human hand. Human environment, our 'human home', is touched by contributing human. It's polite to say 'please' and 'thanx' to nurturing family and friends near and far. Extending simple politeness over time and distance we realize consciousness in nature home gratitude and human home thansgiving. New word 'thansgiving' has letter 'X', a kiss of feeling subjective and real in thanx to past-present-future human helpers in human homes [humanhood- our citizenry- my family/famili- each one] of universal experience ideas-values-universal principles discovered, continued by choice, and daily lived. Grateful american celebrates clean nature home [heir/air- oceanwater- mountaineath- energyfire] in natural laws immutable. Thansgiving american celebrates human famili of friends/nations in good contribution. In grateful home/in thansgiving home americans live long culture of citizen in chosen universal principles.

We need an approach-routine-technique-method to say thanx to our human famili for good global gifts given US all in cultural democracy's human heritage. How may we see and save our human home? Do 'Famili Food Feast', enjoying our famili of nations with my family/famili of nations in good globalization of ideas/foods contribution. Respectful! Tasteful! Thankful! Eat foods from human famili, african-middle-european-renien-inamerican, native continental ancestral families. Continue the thansgiving human home in 'Famili Weekdays' for respect and remembrance contributions. Match weekdays with we ameri human famili of: africanDay [Mon]- middleDay [Tues]- europeanDay [Wed]- renienDay [Thurs]- inamericanDay [Fri] for hapi human home with US all. I've human heritage memory in good global gifts given me from human famili forbearers for thansgiving!

First Thansgiving Day 1621 is an eventful and natural, global and multicultural harvest home celebration. Wampanoag corn provides. Pilgrim canon protects. Clean food and air is everywhere. Water is shared from spring still located on Main Street in Plymouth, Massachusetts. In gratitude for nature home decorate private home in seasonal tokens and do stewarding environmental activities for continuing clean spring heir/air- summer oceanwater- autumn mountaineath- winter energyfire. Enjoy season! Hapi human famili of nations gets respect in basicAncient thansgiving at 'VFamili Breakfast'. Ones private family/famili of nations add later in 'Famili Food Feast'. In reciprocity over reprisal, caring then conflict share one dish for each human famili to enjoy. We learn good globalization at table in american thanx for ideas/ foods of human heritage. Merry meet native american. And, merry greet Old American [English-led european U.S. & Canadian]. Then, merry meet again american me, world citizen. VFamili Thansgiving is Americanism, positive pluralism.
