AMERI

With Ancient Age [4000-500BCE] we get basic citizen culture, *basicAncient* homelife. **AMERI** Ages is Ancient 'in principle' people-culture survival basics and 'in the name of God' prophet-religion Vedic/ Bible, both wanting timeless Truth, not vernacularism. Blessings of clergy story are supernatural religion, inerrant *Word of God* revelation in national prophets of personal prophecy. Blessings of [teacher] human story are natural culture, asking *Book of Life* Nature's reason in universal principles of universal experience. Ancient forbearers wrestle chaos of short life / illiteracy/ superstition to wholesome *basicAncient* consciousness in human story. Ancient native continental ancestral families are human 'famili'. Human famili is in a-m-e-r-i Five Old Worlds and living Nature's potential-vitality-truth-culture-intent.

Ancient human famili finds survival orientation in ... 'Basic Homelife'. We are Ancient human famili.

We ameri are the living home of

african **human cradle potentiality**, & traditional nurturing family Egyptian *Abydos 5000BCE-641CE*.
middle **alphabet merchant vitality**, global, & literate...especially with alphabet *Byblos 1500BCE*
european **bonfire Truth enquiry**, intelligent everyday people everywhere in safe open conversation
[We wait for Meditation Age when **european** famili is home of science and democracy, *Thales / Solon & Socrates*.]
renien **culture in 1st principle equality**: Fu Shi announces 1st universal principle equality *yang/yin 2900BCE*.
inamerican **maize farmer intentionality 3000BCE**.

We ameri are fatherhood & motherhood, brotherhood & sisterhood, childhood & humanhood. 'We ameri' are 'human famili'.

Ancient human famili chooses ideas/principles to consciously live, thereby establishing norms for human home in natural culture of universal experience. Ancient forbearers' gifts are good to US all. In single or plural human famili we *ameri* ['all people'] are *african-middle-european-renien-inamerican*. Here, american homelifers begin human homelife in *basicAncient* awareness. *Native/single* ['1famili'] or *global/plural* ['2famili or more'], we are planetary **human home** ['human famili'], **our public home** citizenry, **my private home** family, and **each personally at home** in basic homelife. AMERI Ages is human story in long art of natural culture with citizen, not clergy story. But, Bible does record unconscious savage in Genesis of human sacrifice, Exodus of sell the children, and Leviticus of animal sacrifice to God.

AMERI Ages culture grows understanding without addictions in rational individual cultivation among unfolding conscious citizen people. In Ancient Age basic survival 4000-500BCE, we are potential family, vital merchant, intelligent enquirer, principle cultured, and intent of farmer. In Meditation Age social behavior 500BCE-500CE-1400CE, we are meditating/asking nature home/ human home and finding '4principles' of culture, appropriated by medieval religion. In Education Age physical science 1400-1700CE, the *Book of Life* [Nature] is with 'educant' [in freedom education] in open study. In Republican Age civil society 1700-2000CE, world citizen, american, is positive pluralism in Americanism from Classicism. In Information Age universal co-creating 2000CE-now, we intercreate in pacific productivity with two nuclear forces and with space colonization. Caring/sharing we continue human dream from Ancient forbearers. Our foundation is timeless Truth. Ancient priest writes amen *Word of God* revelation Vedic/Bible in other than human memory of miracle for belief clergy story. Ancient teacher writes culture rational representatives in universal principles from universal experience Nature of wonder for amending understanding human story, with citizen culture. God's revelation in prophet religious and Nature's reason in principle cultured are different approaches timeless Truth.
